Admission Policies

For Nagoya University's general admission policies, please see the following website:

http://kouho-en.adm.nagoya-u.ac.jp/about_nu/declaration/policy/index.html

I. Eligibility for Application

In order to be eligible to apply for Nagoya University's International Programs, the applicant must satisfy any of the following criteria:

1. The applicant has been awarded a master's degree in an educational system(s) other than the Japanese one, or is expected to be awarded the degree on or before September 30, 2019.
2. The applicant has completed a 12-year curriculum in an educational system(s) other than the Japanese one, and has completed an Initial Two-Year Program (a master's degree program) at a graduate school of a Japanese university, or is expected to complete the program by September 30, 2019.
3. The applicant has completed an Initial Two-Year Program (a master's degree program) at a graduate school of a Japanese university, or is expected to complete the program by September 30, 2019; provided that this is limited to persons who have completed (or are scheduled to complete) their higher education curriculum (university curriculum) in the English language.
4. The applicant is deemed by a Graduate School of Nagoya University to possess academic ability equivalent or superior to that of a master's degree or professional degree holder based on the individual eligibility review.

[Notes]

Persons wishing to apply under condition 4 of the terms of eligibility above must contact the University, as indicated in the "VIII. Contact" section, at least one month prior to the application deadline for each recruitment category and complete the prescribed procedures for eligibility review.

II. Number of Available Places

Program (Graduate School(s))	No. of Places
Chemistry Graduate Program (Graduate School of Science, Graduate School of Engineering)	Limited

[Note] Please write the names of the program and the graduate school of your choice on your Application Form.

III. Application Procedure

1. Important notes before you apply

- (1) Please refer to the tables containing the names of departments, research laboratories/research groups, research areas, research projects and faculty members on the website (<http://admissions.g30.nagoya-u.ac.jp>) and select your preferred program, graduate school and laboratory/research group.

*** Inquiries regarding research projects prior to application**

The applicant must make a pre-application inquiry regarding research projects to research laboratory/ies to which the applicant wishes to belong in order to receive supervision for his/her doctoral thesis before submitting application documents.

If the applicant decides to apply to the University based on the information gained through this pre-application inquiry, he/she must submit all application documents (including application fee) to the appropriate address as specified in "Application documents submission" by the prescribed deadline for each recruitment category. Also, when submitting documents ii, iv and ix of Documents and Other Materials, please make sure to submit original and/or official copies.

(Please note: even if you have already submitted documents to your preferred laboratory/supervisor in the course of your pre-application inquiry, those documents may not be deemed to be the formal application documents, and thus cannot be accepted as your application.)

*** Other inquiries**

For any other inquiries, please contact us via the contact information indicated in "VIII. Contact."

- (2) In the Application Form, please indicate only one choice of your preferred research laboratory/research group and supervisor.

2. Application periods

Applicants must submit the application documents and pay the application fee during the appropriate application period specified in the table below:

Recruitment Categories	Starting	Deadline
First Round	January 7, 2019 9:00 (Japan Time)	January 17, 2019 16:00 (Japan Time)
Second Round	May 1, 2019 9:00 (Japan Time)	May 22, 2019 16:00 (Japan Time)

- (1) Each applicant may only apply once, for either First Round or Second Round.
- (2) If a complete submission of the application fee and application documents is not made by the First Round deadline, the application will be processed under the Second Round category.
- (3) In case of situation (2), an e-mail notification to that effect will be sent to the applicant.
- (4) Applicants who wish to advance to a Final Three-Year Program (doctoral program) at a Graduate School of Nagoya University directly after the completion of an Initial Two-Year Program (master's program) at a Graduate School of Nagoya University must apply under the Second Round category. Applicants will be separately notified of selection methods and admission results by the administration section responsible for admissions at the responsible Graduate School.

3. Application fee payment and application documents submission

To apply, please prepare and submit all required documents in accordance with the prescribed methods and be sure to pay the application fee by the deadline.

Please pay close attention to the notes below the table on the following page when preparing your documents.

< Application fee payment >

Application fee: JPY 5,000

Please pay by PayPal (recommended) or Bank Transfer via the Online Admissions System.

Note that the application fee is for the purpose of checking and screening the submitted documents, etc., and will not be refunded or returned once paid to the University.

The sender is responsible for the costs of the processing fee for the Bank Transfer of your application fee payment.

Payment of this application fee is unnecessary if you fall under either of the following:

- The applicant wishes to advance to the Chemistry Graduate Program directly after the completion of an Initial Two-Year Program (master's program) at a Graduate School of Nagoya University.
- The applicant is a Japanese Government (MEXT)-sponsored scholar currently enrolled in the Graduate School of Science or Graduate School of Engineering.

Applicants who are currently enrolled as degree students in the Graduate School of Science or Graduate School of Engineering must submit a certificate of enrollment to the International Admissions Office (AO) during the admission application period. (If this applies to you, your application documents will be accepted only after the submission of your enrollment certificate to the AO.)

MEXT scholars who are currently enrolled in the Graduate School of Science or Graduate School of Engineering must submit an original copy of their MEXT scholar certificate to the International Admissions Office (AO) during the admission application period. (If this applies to you, your application documents will be accepted only after the submission of an original copy of your MEXT scholar certificate to the AO.)

Government (MEXT)-sponsored scholars who wish to apply to the Chemistry Graduate Program directly after the completion of a course of study at graduate schools of other universities in Japan will be exempted from the application fee but must submit an original copy of their MEXT scholar certificate to the International Admissions Office (AO) during the admission application period. (If this applies to you, your application documents will be accepted only after the submission of an original copy of your MEXT scholar certificate to the AO.)
