

-
Laboratories available at the 4th year

(belonging to Graduate School of Bioagricultural Sciences)

<https://www.agr.nagoya-u.ac.jp/english/organization/organization-menu2.html>

· **Department of Applied Biosciences**

- [Laboratory of Cell Dynamics](#)
- [Laboratory of Applied Microbiology](#)
- [Laboratory of Molecular and Functional Genomics](#)
- [Laboratory of Biological Chemistry](#)
- [Laboratory of Molecular Plant Physiology](#)
- [Laboratory of Plant Environmental Responses](#)
- [Laboratory of Soil Biology and Chemistry](#)
- [Laboratory of Molecular Function Modeling](#)
- [Laboratory of Organic Chemistry](#)
- [Laboratory of Bioactive Natural Products Chemistry](#)
- [Laboratory of Food and Biodynamics](#)
- [Laboratory of Polymer Chemistry](#)
- [Laboratory of Nutritional Biochemistry](#)
- [Laboratory of Biomacromolecules](#)
- [Laboratory of Molecular and Cellular Regulation](#)
- [Laboratory of Molecular Bioregulation](#)
- [Laboratory of Industrial Bioscience](#)
- [Laboratory of Developmental Signaling Biology](#)
- [Laboratory of Molecular Biotechnology](#)
- [Laboratory of Animal Cell Function](#)
- [Laboratory of Molecular Biosystem](#)
- [Laboratory of Plant Cell Function](#)
